PROFESSIONAL EXPERIENCE

Industrial Engineer

Delta electronicspvt.ltd/ Hosur / 2019–till date

- Drafted equipment layout plans to enhanced workplace efficiency for new and existing production floors.
- Supervised production workers to determine problematic areas and implement solutions for optimized productions.
- Aligned production operations to meet higher standards and maximum returns.
- Authored production reports on impact of amelioration measures applied to manufacturing processes.

MINI PROJECTS

Have done some mini projects using frontend and backend languages.

- Recipe app- This app helps us to view and add our favorite recipes. This app built using React JS and Material UI.
- Movie app- This app helps us to add and remove our favorite movies list with its extra information. In addition this app also consists of simple Tic Tac Toe game.
- Student Mentor Assign- This app helps us to add and remove students and mentors in database. Also can change and assign mentor for specific student. This app built using React JS and Node JS
